**RE: Important Update Regarding Transportation for Annual Session**

Dear Fraters, Loyal Ladies and Registrants,

We hope this message finds you well as we prepare for our upcoming 138<sup>th</sup> Annual Session/46<sup>th</sup> Triennial Session. We want to provide an important update regarding transportation for the event.

In our previous communication, we mentioned that trolleys would be available to help transport attendees to and from the convention center. However, the City of Memphis recently informed us that the trolley service is temporarily out of order and will not be operational during the Annual Session.

In response, we have arranged for buses to shuttle attendees between the hotels and the convention center. The bus service will be available throughout the event to ensure a smooth and comfortable experience for all attendees.
